Currently operating in two locations, including Manhattan and White Plains, NY, Lyric HiFi & Video has consistently offered its customers the finest in luxury home audio and video equipment since 1959. Lyric HiFi & Video is currently featured as “Dealer of the Month” on the McIntosh website, highlighting the successful practices, innovations and installation capabilities that have allowed the specialty retailer to grow its business and best represent McIntosh to its customers. McIntosh announced its “Dealer Showcase” program in November 2009 with Behrens Audio Video of Jacksonville, FL recognized as its first “Dealer of the Month.”

Lyric HiFi & Video Co-Owner Leonard Bellezza noted: "Lyric was founded over 50 years ago and we're proud to share a common heritage with McIntosh as a pioneer in two-channel audio. In fact, our combined experience and expertise in bringing superior-sounding two-channel audio to discriminating customers – with McIntosh on the

manufacturing side and ourselves on the sales side – is probably unsurpassed anywhere in the country, perhaps even the world. Today, just as McIntosh continues to expand with many more concepts in luxury home entertainment, we are proud to continue our shared commitment to quality and performance by offering our customers the finest in premium home theater, video, and custom installation services.”

McIntosh President Charlie Randall noted: “Our ‘Dealer of the Month’ program was designed for us to showcase some of the great work done by our valued retail partners across the country.
